Owners of a massage spa business hope to soon open in Brighton Center.

The business is working to open on the first floor of 388 Washington St., which would be open Monday through Saturday from 10 a.m. to 7 p.m. the owners said at the monthly meeting of the Brighton Allston Improvement Association Thursday night.

For about the past six years, they said they have run a similar massage spa business in Quincy.

The business owners went before the neighborhood group to seek their support for when they go before city officials and request to change the property's licensed use from retail to allow for a therapeutic spa.

The owners said the staff is properly trained, licensed to practice and offer various types of massages.
