After a 14-year run, a used car dealership in Brighton has relocated to a suburb about 30 miles west.

Autobahn USA relocated in late June from 530 Western Ave. to 88 Turnpike Road, or Route 9, in Westborough, according to the [company's website](#) and [Facebook page](#).

The former auto lot in Brighton has been vacated.

City and state land records show the 13,283-square-foot property is owned by the dealership's owners, Saied "Sam" Zadeh and Frieda Zadeh, who bought the site under an entity named 530 Western Avenue, LLC for \$740,000 in Feb. 2010. State land records do not show a sale or lease of the property has been made since then.

The website of Boston's assessing department lists the value of the commercial property as about \$225,000.

A photo recently Tweeted by [@AndrewWBZ](#), an assignment editor for CBS Boston WBZ-TV, shows a banner hung in front of the property saying it is available to buy or lease.

The photographed banner also says the dealership's new home in Westborough allowed the business to expand to a "full-service facility."

The company's website says it features "premium pre-owned luxury import automobiles" and specializes in its stock of vehicles made by Audi, BMW, Infiniti, Land Rover, Lexus, Mercedes, Porsche and Volvo.
