Where immigrants to the US come from

This map shows the number of people born in each foreign country who were granted lawful permanent residence, or a "green card," in the United States during fiscal year 2015, the 12-month period that ended Sept. 30, 2015.

(Note: Data was not available for Kiribati and Solomon Islands. Also not shown on the map are 34 people who came from other countries that each sent less than 10 lawful permanent residents during the year and another 677 individuals whose place of birth was listed in federal statistics as “unknown.”)
