**The petition for landmark status for Trinity Church in Copley Square is pending.**

By [Matt Rocheleau](#)

GLOBE STAFF MARCH 17, 2017

The iconic Citgo sign [got a new lease on life this week](#) when the petroleum company reached a deal with its new landlord to keep the familiar skyline feature in place for decades to come.

In a city as old and historic as Boston, the sign is one of many cherished properties and monuments around town.

In some cases, as with the Citgo sign, efforts have failed to protect sites by securing historic landmark recognition from the city. At least so far.

The city in 1983 denied a petition for the sign to be given landmark status. But the Boston Landmarks Commission is currently considering a new petition.
