GLOBE STAFF JUNE 20, 2017

Traffic violations issued by police department, 2010 to 2015

This table is sorted alphabetically by department name. The "rank" column shows how each department compares in terms of the total number of violations issued from 2010 through 2015. For example, State Police issued the most violations and are given a rank of 1.

Detailed data for more recent years than 2015 was not available. For about 2 percent of all violations issued during these years, the name of the agency that issued them was not provided.

(Note: If you're reading this on a mobile device, this table only does not show data for each year between 2011 and 2014. To see a full version of the table, view this story on a desktop computer.)
