## Lowe's store closings

A Lowe's in Quincy is among 20 stores nationwide the big box home improvement chain said Monday it

plans to close soon. Below is a <u>list</u> of the stores in the US and another 27 in Canada that company <u>announced</u> it plans to close by Feb. 1, 2019. A company spokeswoman said it also will shutter two "specialty facilities" in Canada, as well as offices in Mississauga and St. John's. The company described the stores that will close as "underperforming." It said most employees at the stores will be offered similar roles at a nearby location. A majority of the closing stores are within 10 miles of another Lowe's, the company said. This list shows US locations first, sorted alphabetically by state, followed by locations in Canada, sorted alphabetically by province. (Most of the Canada locations operate under the RONA or Réno-Dépôt brand.)
